# AWAKEN THE FIRE

## YMUW Philosophy... Honor what is R.I.G.H.T.

Young men don't need to be "fixed." They know what's right. Mentors who are confident and consistent in their beliefs and behaviors provide ideal role models for adulthood - reinforcing the values of YMUW:

### *Honor - to admire in the highest regard*

**Respect** - to esteem with reverence

**Intelligence** - applying your experience and intuition into wisdom

**Gallantry** - heart fully engaged in acts of courtesy and courage

**Humor** - celebration with fun and laughter

**True** - living your life with integrity so that you can trust yourself and others

By consistently asking questions  
we lead young men to discover what is RIGHT for them.

### **YMUW Mission**

To mentor young men to live life with integrity, to give and get respect, to master their energy, and to interact with their family and community by modeling honorable, confident behaviors so that they can become responsible and moral adults.
